[VIA E-MAIL]

Development Director Enders,

Milwaukee County has submitted five files related to the surveying and re-zoning of land north of Watertown Plank Road. They appear on the October 9, 2017 Agenda of the Wauwatosa Plan Commission as the following –

“Request by James Tarantino, Milwaukee County, for a Land Division via Certified Survey Map at approximately 9200 Watertown Plank Road

Request by James Tarantino, Milwaukee County, for a Land Combination at approximately 9250 Watertown Plank Road (land north of power plant)

Request by James Tarantino, Milwaukee County, for a Zoning Map Amendment from Special Purpose District – Medical Center to Special Purpose District – Conservation at approximately 9200 Watertown Plank Road (Parcel 2 of proposed CSM)

Request by James Tarantino, Milwaukee County, for a Zoning Map Amendment from Special Purpose District – Medical Center to Special Purpose District – Conservation at approximately 9250 Watertown Plank Road (land north of power plant)

Request by James Tarantino, Milwaukee County, for a Zoning Text Amendment in the Special Purpose District – Medical Center to add multi-unit building as a conditional use”

Milwaukee County is requesting that the City delay action on all of these items to a future meeting of the Plan Commission. In so requesting, Milwaukee County also waives any time limit for the approval of these items.

Sincerely,

James Tarantino
