Every five years, communities across Wisconsin are required by state statute to conduct a Community Health Assessment and Improvement Plan. The 2018-2022 Wauwatosa Community Health Improvement Plan is a comprehensive report of the goals and strategies that will be completed over the next five years to positively affect the health of Wauwatosa residents. The four major health priorities, as well as the goals and strategies, were discussed by and voted on by Wauwatosa community partners and citizens.

Please include your comments on the 2018-2022 Wauwatosa Community Health Improvement Plan in the space provided.
